TRANSFER OF AUTHORITY

HABBANIYAH, IRAQ – Task Force 1-110th Infantry (IN) replaces 1st Battalion, 506th Infantry at Camp Habbaniyah, Iraq.

On July 28th, 2nd Brigade, 28th Infantry Division (ID) conducted a transfer of authority (TOA) ceremony replacing 2nd Brigade, 2nd ID, now headquartered in Ar Ramadi, Iraq. TF Panther, headquarters 1-110th IN from Mount Pleasant PA, exchanged command of our present area of operations with 1-506th IN led by Col. David Clark. 1-506th IN traces its roots back to the “Band of Brothers.”

In 1942, the 506th replaced the 28th in Bastogne France during WWII.

Now the “Bloody Bucket” has come to repay the favor. Lt. Col Loris Lepri, TF Panther commander, expressed his intent to continue the Currahee tradition. “TF Panther is dedicated to the mission, eager to work with the Iraqi Intervention Forces (IIF) and local security agencies. We will maintain an aggressive campaign and help the Iraqis take their country back from the insurgency.
